

TATTOO GIRL

TATTOO GIRL ROSE

COLUMBIA VALLEY • WASHINGTON • UNITED STATES • NORTH AMERICA

TECHNICAL DETAILS

The Estate

Tattoos have been a part of culture for almost as long as wine. The winery behind this bottle, Tattoo Girl, reminds us that both artforms tell stories about where we've been and how we can evolve in the future. The winemakers combined their wine with unique tattoo artwork to showcase each bottle while celebrating the wine drinker — those who are bold and authentic in their actions, free in their conversations, and excited to celebrate life's beautiful moments.

Wine Making

As Columbia Valley is a dry region, irrigation is often required and this restricts the location of its vineyards. On the plus side, where controlled irrigation is possible, this can make a big difference to yields and the quality of the grapes.

Food Suggestions

Pairs well with shellfish, spicy foods, mature and hard cheese, appetizers and snacks, lean fish, and cured meat.

TASTING NOTES

Notes of fresh strawberries, green melon and roses hit the palate with an acidic finish to create a refreshing, everyday drinking Rosé.

Syrah & Sangiovese grape blend.

This wine contains allergens, sulfites.
