TECHNICAL DETAILS

The Estate

Since crafting its premiere vintage of Anderson Valley Pinot Noir in 2001, Duckhorn Wine Company's Migration has earned acclaim for a refined and compelling style of winemaking that seamlessly balances vibrancy and finesse.

Wine Making

With just 50% of our average rainfall to start the season we took proactive measures in our vineyards, including early suckering and pruning, careful cover crop management and targeted irrigation to ensure healthy vines. Spring and summer brought mild-to-warm temperatures that allowed the grapes to ripen slowly and evenly, resulting in early flavor development at lower Brix with high acidity.

Food Suggestions

Pairs well with beef, veal, deer, venison, and poultry dishes.

TASTING NOTES

This classy and poised Pinot Noir displays an array of dark berry notes, including raspberry, blackberry, blueberry, and ripe cherry, along with a hint of baking spices. Balanced tension and refined tannins on the palate make the wine both elegant and effortlessly delicious, with subtle flavors of cedar and cassis lingering on the finish.

Pinot Noir grape blend.

This wine contains allergens, sulfites.
