

TATTOO GIRL

TATTOO GIRL RED BLEND

COLUMBIA VALLEY • WASHINGTON • UNITED STATES • NORTH AMERICA

TECHNICAL DETAILS

The Estate

Tattoos have been a part of culture for almost as long as wine. The winery behind this bottle, Tattoo Girl, reminds us that both artforms tell stories about where we've been and how we can evolve in the future. The winemakers combined their wine with unique tattoo artwork to showcase each bottle while celebrating the wine drinker — those who are bold and authentic in their actions, free in their conversations, and excited to celebrate life's beautiful moments.

Wine Making

As Columbia Valley is a dry region, irrigation is often required and this restricts the location of its vineyards. On the plus side, where controlled irrigation is possible, this can make a big difference to yields and the quality of the grapes.

Food Suggestions

Pairs well with beef, pasta, veal, and poultry dishes.

TASTING NOTES

With hints of smoke, bacon & herbs, this red blend has a balanced tannin level with incredible fruit. Aged with oak for several months, the wine takes on complexities of vanilla & baking spices to compliment the large fruit structure.

Merlot, Cabernet Sauvignon, & Malbec grape blend.

This wine contains allergens, sulfites.
