TECHNICAL DETAILS

The Estate

St. Supéry Estate Vineyards and Winery is a 100% Estate Grown, sustainably farmed winery located in the renowned Rutherford growing region in the heart of Napa Valley. Committed to producing the highest quality estate wines without compromise, we focus on sustainable winery and farming operations to protect the land and environment for future generations. Our Napa Valley Estate collection includes Sauvignon Blanc, Cabernet Sauvignon, Rosé and Moscato. These wines are balanced and showcase bright, fruit-forward flavors.

Wine Making

The 2019 growing season had a very wet winter and spring, capturing 41" of rain at Dollarhide. A mild spring with one late-May rainfall resulted in damp soils and healthy canopy growth. Other than one mid-June heat spell, summer was warm and dry, allowing for consistent and balanced ripening. Late summer and early fall continued to provide steady warmth. As evenings began to cool, the fall growing season was extended. The even ripening season with a mild summer resulted in excellent wine of great flavor and density.

Food Suggestions

Pairs well with beef, lamb, deer, venison, mature and hard cheese, and poultry dishes.
