# DECOY CALIFORNIA CABERNET SAUVIGNON

CALIFORNIA • UNITED STATES • NORTH AMERICA

## TECHNICAL DETAILS

### The Estate

Decoy Wines is known for delivering premium-quality California wines that balance richness, polish, and approachability. Built on a reputation for consistency and value, the brand offers expressive wines that overdeliver across retail and on-premise channels.

### Wine Making

Cabernet Sauvignon grapes are sourced from select vineyard sites across California to achieve balance and complexity. Fermentation is carried out in stainless steel to preserve fruit purity, followed by aging in oak barrels to enhance structure, texture, and flavor integration. The winemaking approach emphasizes richness, polish, and immediate drinkability.

### Food Suggestions

This Cabernet pairs beautifully with grilled steaks, burgers, and barbecue dishes. It also complements hearty pasta, roasted vegetables, and aged cheeses. Its bold fruit and smooth structure make it a reliable choice for steakhouse menus, casual dining, and by-the-glass programs.

## TASTING NOTES

From its aromas of vibrant red and blue fruit to its silky tannins and balanced acidity, this is a lush and alluring Cabernet Sauvignon. On the palate, rich flavors of raspberry, ripe plum and blueberry carry the wine to a long, luxurious finish, with nuanced hints of oak and sweet baking spices.
