BOGLE CALIFORNIA PETITE SIRAH

CALIFORNIA • UNITED STATES • NORTH AMERICA

TECHNICAL DETAILS

The Estate

Although the Bogle family has been farming since the 1800's, it wasn't until 1968 that the father and son team of Warren and Chris Bogle planted their first 20 acres of wine grapes in Clarksburg, California. Clarksburg is a small farming community nestled in the Sacramento Delta. Today Bogle Vineyards farms over 1,000 acres of wine grapes in the Delta region. Bogle Winery is currently producing 100,000 cases of wine.

Wine Making

Our winemakers use artisanal techniques that are replicated in very few wineries of our size. From hand stirring our Chardonnay to aging our red wines in small oak barrels, we know this approach helps each wine reach its full potential.

Food Suggestions

TASTING NOTES

Dark purple stains the glass, while inky and succulent blueberries and blackberries overwhelm the palate. Juicy plums and rhubarb come together, followed by touches of roasted, savory and earthy tones that round out the mouthfeel. Supple and spicy, this full bodied wine was aged in American oak for 12 months. Toasty vanilla, mocha and a bit of cocoa combine with ample tannins to create a finish with structure and character.

100% Petite Sirah grape blend.

This wine contains sulfites.
