BROKEN EARTH 'ESTATE' PASO ROBLES CABERNET SAUVIGNON

PASO ROBLES • CALIFORNIA • UNITED STATES • NORTH AMERICA

TECHNICAL DETAILS

The Estate

Deeply rooted in the pioneering spirit of Paso Robles Wine Country, Broken Earth wines are born from heritage, hard work and careful stewardship of our vineyard. Land that once sustained generations of cattle ranchers and then visionary grape growers is now home to over 700 acres of vines on Paso Robles' east side. Our wines stand as a bold expression of this place, each with their own story to tell.

Wine Making

The fruit was harvested over a period of 16 days commencing in October 2017, with dates depending on clonal and site differences to ensure all components are at their peak. Following fermentation, the wine was transferred to second use French and Hybrid oak barrels for 15 months on average before blending and preparation for bottling.
