The Estate

Villa San-Juliette Vineyard & Winery is a picturesque wine destination located in the Paso Robles Estrella District. Embracing leisure, beauty and craftsmanship, Villa San-Juliette aims to delight every guest with its 100% estate grown Bordeaux and Rhone-style wines, artisan foods and breathtaking views.

Wine Making

Although we grow twelve different grape varieties in our vineyard, our Cabernet Sauvignon reigns supreme. With almost fifty acres of steep hills with multiple soils planted with Cabernet Sauvignon, our vineyard produces fruit of tremendous depth and complexity.

Food Suggestions

Pairs well with seared ribeye, roasted duck breast, cabernetbraised venison

TASTING NOTES

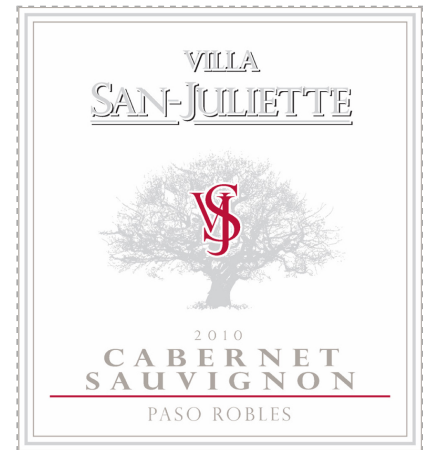

The 2016 vintage is one we are proud of: with an opulent nose of elderberry, butterscotch, blackberry, and cherry pie, this wine showcases the flavor that vintage 2016 excelled in. Eminently drinkable, this wine is silksmooth and plush. Flavors of pomegranate, raspberry and molasses open into full-bodied forest floor and cocoa. Firm tannins mark the finish, which is kept lively with fruity acidity.

Cabernet Sauvignon grape blend.

This wine contains allergens, sulfites.
