NAPA COUNTY • CALIFORNIA • UNITED STATES • NORTH AMERICA

TECHNICAL DETAILS

The Estate

Nestled in famous Napa Valley, our family has been growing winegrapes on our historic St. Helena vineyard since 1932. Originally planted in 1860 by Dr. George Crane, three generations of the Salvestrin Family have meticulously and sustainably farmed this 26 acre vineyard for 81 harvests.

Wine Making

Grapes are grown in the Salvestrin Dr. Crane Vineyard.

Food Suggestions

Pairs well with beef, lamb, deer, venison.

TASTING NOTES

Our 100% Petite Sirah is rich, opulent and deeply concentrated. Aromas of ripe blackberry and toasty barrel notes at the start are then complemented on the palate by ripe dark fruit, cocoa and black licorice with an elegantly enduring finish.

Petite Sirah grape blend.

This wine contains allergens, sulfites.
