CHÂTEAU PHÉLAN SÉGUR

'FRANK PHELAN'

SAINT ESTEPHE • BORDEAUX • FRANCE • EUROPE

TECHNICAL DETAILS

The Estate

The complexity of the Saint-Estèphe terroir, of which Château Phélan Ségur is a perfect illustration, is an important element. The surface of the vineyard is 70 hectares.

Wine Making

The average age of the vineyard is 35 years. Under the leadership of the vineyard manager – Luc Peyronney – we practice viticulture that respects our land and the winemakers. We are also committed to the preservation of biodiversity: we want to protect the native fauna and flora in our vineyard and natural areas.

Food Suggestions

Pairs well with beef, lamb, deer, venison, and poultry dishes.

TASTING NOTES

Frank Phélan associates indulgent fruit, intense and compelling, with an elegant structure of silky tannins. It undergoes 14 months' ageing. Its roundness and suppleness allow it to be enjoyed from a young age.

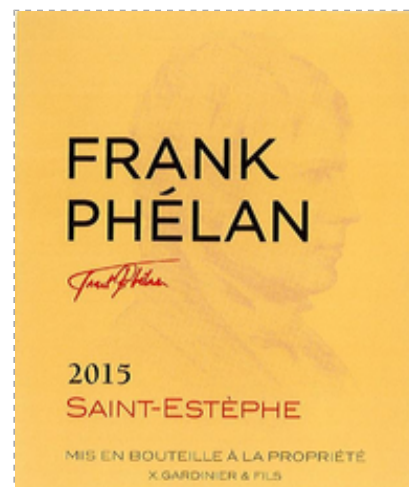

Cabernet Sauvignon & Merlot grape blend.

This wine contains allergens, sulfites.
