FINGER LAKES • NEW YORK • UNITED STATES • NORTH AMERICA

## TECHNICAL DETAILS

### The Estate

For over twenty years, we have dedicated our winemaking practices to a philosophy of collaboration with our environment. We have meticulously managed twenty estate vineyard blocks through the application of sustainable agricultural practices.

### Wine Making

This philosophy is continued in our cellar, as we use winemaking techniques that truly express the cool-climate, glacier-carved Finger Lakes region. In our winery, we share a wide selection of well-balanced wines, each crafted in a spirit of exploring the wine and food experience.

### Food Suggestions

Pairs well with beef, pasta, pork, and poultry dishes.

## TASTING NOTES

A unique Cabernet Franc aged exclusively in stainless steel, resulting in an intensely fruit-forward wine. This wine showcases bright notes of cherry and cranberry with a satisfyingly smooth mouthfeel.
