# GRAYSON CALIFORNIA LOT 5 PINOT NOIR

CALIFORNIA • UNITED STATES • NORTH AMERICA

## TECHNICAL DETAILS

### Estate

The founders of Grayson believe that we can put to work our Napa Valley winemaking skills to create some of the highest quality wines at the by-the-glass price point. We believe that decades of Napa winemaking experience will allow us to create a better bottle of wine at a better price point than what's generally in the market today.

### Winemaking

Soils and climates vary substantially throughout California. A complex combination of variables are in play. These include altitude, latitude and proximity to the cool waters of the Pacific Ocean.

### Food Suggestions
