**TECHNICAL DETAILS**

**The Estate**

For over twenty years, we have dedicated our winemaking practices to a philosophy of collaboration with our environment. We have meticulously managed twenty estate vineyard blocks through the application of sustainable agricultural practices.

**Wine Making**

This philosophy is continued in our cellar, as we use winemaking techniques that truly express the cool-climate, glacier-carved Finger Lakes region. In our winery, we share a wide selection of well-balanced wines, each crafted in a spirit of exploring the wine and food experience.

**Food Suggestions**

Pairs well with grilled fish and poultry dishes.

**TASTING NOTES**

A vibrant nose of cut pear and green apple are introduced to candied lemon and faint coconut on the palate. A clean minerality results in a complex mouthfeel that is delicate yet layered.

**100% Chardonnay grape blend.**

**This wine contains allergens, sulfites.**
