QUINTA DO REGUEIRO MINHO VINHO VERDE

MINHO • VINHO VERDE • PORTUGAL • EUROPE

TECHNICAL DETAILS

The Estate

Since 1988, Quinta do Regueiro has been using old-school methods to produce some of the most prized Alvarinhos in Portugal. Having started with one single vineyard in the estate's "backyard," today, Quinta do Regueiro is producing approximately 40,000 bottles of Alvarinho (and blends).

Wine Making

From the land of freshness comes this hidden gem: Quinta do Regueiro. This blend of the region's two most iconic grapes, Alvarinho & Trajadura, sets itself apart from the rest with an intensely mineral profile that is simultaneously refined and surprisingly elegant.

Food Suggestions

Pairs well with shellfish, vegetarian dishes, appetizers and snacks.

TASING NOTES

Intensely mineral profile, with floral and orange peel nuances. Reveals a great purity in the mouth, of refined but austere style. Bright citrus and a clean yet dominant acidity take this old-school vinho verde blend up a notch.

Alvarinho & Trajadura grape blend.

This wine contains allergens, sulfites.
