EVEREARTH CALIFORNIA CABERNET SAUVIGNON

CALIFORNIA • UNITED STATES • NORTH AMERICA

TECHNICAL DETAILS

The Estate

EverEarth was created to make wines in the most sustainable and environmentally friendly way. That's why we say it on the front label. Twice. Our vineyards and production facility are certified sustainable by the California Sustainable Winegrowing Alliance, which promotes the benefits of sustainable winegrowing practices. We also believe we have one of the lowest carbon footprints in the industry.

Wine Making

Everearth was created to make wines in the most sustainable and environmentally friendly way. That's why we say it on the front label. Twice. Our vineyards and production facility are certified sustainable by the California Sustainable Winegrowing Alliance, which promotes the benefits of sustainable winegrowing practices.

Food Suggestions

Pairs well with beef, lamb, deer, venison, and poultry dishes.

TASTING NOTES

The Everearth Cabernet Sauvignon is alluring, yet restrained with a deep, rich color. The aromas show generous dark fruits with a hint of leather. Flavorful in the mouth with a good body and a velvety texture, this wine shows blackberry and layered blueberry with a hint of cedar to complete its elegant finish.

Cabernet Sauvignon grape blend.

This wine contains allergens, sulfites.
