

NOTES

NOTES CHARDONNAY

CALIFORNIA • UNITED STATES • NORTH AMERICA

TECHNICAL DETAILS

The Estate

California accounts for the southern two-thirds of the country's west coast and spans almost ten degrees of latitude. With mountains, valleys, plains and plateaus, California's topography is as complex as its climate, offering winegrowers a bewildering choice of terroir.

Wine Making

Fermented in 100% stainless steel tanks. 35% malolactic fermentation in 20% new oak barrels.

Food Suggestions

Pairs well with herb chicken and salmon tartare.

TASTING NOTES

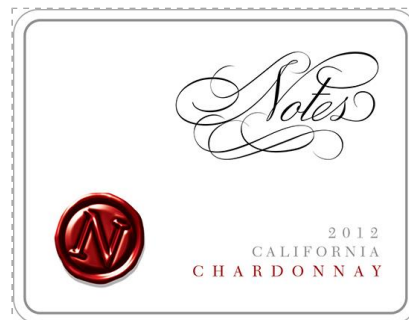

The sun-kissed vineyards of California are influenced greatly by a range of terroirs, from windswept coastlines to sizzling inland valleys. Fruit develops bright, expressive aromas beautifully balanced by rich concentrated flavors. Our wines capture Notes of this exceptional wine region.

Chardonnay grape blend.

This wine contains allergens, sulfites.
