PEIRANO 'THE HERITAGE COLLECTION' CABERNET SAUVIGNON

LODI • CALIFORNIA • UNITED STATES • NORTH AMERICA

TECHNICAL DETAILS

The Estate

California accounts for the southern two-thirds of the country's west coast and spans almost ten degrees of latitude. With mountains, valleys, plains and plateaus, California's topography is as complex as its climate, offering winegrowers a bewildering choice of terroir.

Wine Making

Extended maceration time allowed for maximum extraction of color and phenolics. After fermenting to dryness, the wine was settled before being moved to barrels. The entire lot was aged in French and American oak, 15% of which was new wood, where it underwent malolactic fermentation. The wine was then raked every three months, as well as topped every two weeks, to achieve maximum clarity.

Food Suggestions

Pairs well with beef, lamb, deer, venison, and poultry dishes.

TASTING NOTES

The rich, dark color of this wine catches you from the first pour. It exhibits a rich, deep burgundy hue with perfect clarity. The aromas are a compendium of ripe raspberries, Bing cherries and blueberries. The first initial sip fills the mouth with sweet raspberries, black cherries, cranberries and plums, all the while maintaining absolute dryness with firm, round, yet supple, mouth filling tannins.

Cabernet Sauvignon grape blend.

This wine contains allergens, sulfites.
