# VINA REAL 'RESERVA' RIOJA ALTA TINTO

RIOJA ALTA • RIOJA • SPAIN • EUROPE

## TECHNICAL DETAILS

### The Estate

Viña Real is a classic Rioja estate founded in the early 20th century and closely linked to the renowned CVNE group. Based in Rioja Alta, the winery is known for producing wines that balance tradition, structure, and elegance. The Reserva bottling represents the house's core expression, highlighting aging potential while remaining accessible.

### Wine Making

Grapes are sourced from selected vineyards in Rioja Alta, prized for producing wines with freshness and structure. Fermentation is followed by extended aging in a combination of American and French oak barrels to meet Reserva requirements, adding complexity and spice. Additional bottle aging prior to release allows the wine to integrate and soften. The winemaking approach emphasizes balance, elegance, and age-worthiness.

### Food Suggestions

This Rioja Reserva pairs well with roasted lamb, beef, and pork dishes. Its savory character also complements mushroom-based recipes, grilled vegetables, and aged cheeses. A versatile wine well suited to both casual meals and more refined, traditional cuisine.

## TASTING NOTES

The Viña Real Reserva opens with aromas of ripe cherry, red plum, and dried raspberry, layered with notes of cedar, vanilla, and sweet spice. On the palate, it is medium- to full-bodied with polished red fruit flavors supported by supple tannins. Savory nuances of tobacco, leather, and gentle balsamic tones emerge through the mid-palate. Acidity remains fresh and well-integrated, giving the wine lift and balance. The finish is smooth, lingering, and subtly spiced.

**Tempranillo & Graciano grape blend.**
