HUNT & HARVEST

HUNT & HARVEST NAPA VALLEY SAUVIGNON BLANC

NAPA VALLEY • CALIFORNIA • UNITED STATES • NORTH AMERICA

TECHNICAL DETAILS

The Estate
At Hunt & Harvest, we produce American Table Wines from renowned growing regions using minimalist winemaking techniques. Naturally occurring aromatics and structure are at the core of every varietal we produce. Fermented in stainless steel, racked to neutral oak barrels if additional fermentation and aging is needed then filtered prior to bottling. Find our wines with likeminded purveyors and restaurateurs who share our passion for pure, ingredient driven food and wine.

Wine Making
After gardening, golfing, hiking or kayaking, reward your efforts with this bottle along with a salad of spring favas, mint, cherry tomatoes, pecorino, drizzled with extra virgin olive oil.

Food Suggestions
Pairs well with shellfish, vegetarian dishes, and goat cheese.

TASTING NOTES

Vibrant and bright aromas of guava, nectarine, green pear, and lime zest. The palate is bright and zesty with precise acid and a crisp, long, lively finish.

Sauvignon Blanc grape blend.
This wine contains allergens, sulfites.
