

SALVESTRIN

SALVESTRIN 'THREE D' ST HELENA CABERNET SAUVIGNON

ST HELENA • CALIFORNIA • UNITED STATES • NORTH AMERICA

TECHNICAL DETAILS

The Estate

Nestled in famous Napa Valley, our family has been growing winegrapes on our historic St. Helena vineyard since 1932. Originally planted in 1860 by Dr. George Crane, three generations of the Salvestrin Family have meticulously and sustainably farmed this 26 acre vineyard for 81 harvests.

Wine Making

14 months into aging, our winemaking team tastes through every single new Cabernet Sauvignon barrel from the vintage and selects the very best barrels. These barrels are then blended and put back to the barrel for the final aging period before bottling. The total aging time is 34 months in 100% new French oak.

Food Suggestions

Pairs well with beef, deer, venison, lamb, and poultry dishes.

TASTING NOTES

The 2019 3D Cabernet Sauvignon showcases the premium Dr. Crane fruit we have the privilege of growing and making into wine. Fruit forward and voluptuous, this wine sings with notes of blackberry, subtle spice, and vanilla. The mouth-feel is seamless, elegant and bold. Refined chalky textured tannins give way to a lengthy finish. This spectacular wine is poised for aging.

Cabernet Sauvignon grape blend.

This wine contains allergens, sulfites.
