

TRUCHARD VINEYARDS

2020

TRUCHARD CABERNET FRANC

CARNEROS • CALIFORNIA • UNITED STATES • NORTH AMERICA

TECHNICAL DETAILS

The Estate

The Truchard Estate Vineyard is located in the Carneros region of the Napa Valley. It is 400 acres of hills and valleys which contain a variety of soils: clay, shale, sandstone, limestone, volcanic ash and rock. The combination of terrain, geology, and marine-moderated temperatures, provides ideal conditions for wine-growing.

Wine Making

All of the fruit was gently destemmed and crushed, then inoculated with Pasteur Red yeast. Fermentations were pumped-over twice daily, with the temperature peaking at 88° F. Maceration time varied from 14 to 30 days depending on vineyard block. The wine was aged for 20 months in French oak barrels (45% new). This wine is drinkable now, but reward careful cellaring for the next 15 – 20 years.

Food Suggestions

Pairs well with beef, pork, deer, venison, and poultry dishes.

TASTING NOTES

A floral nose of plum, cassis, and tobacco; with a touch of cedar, earth, and sweet vanilla. The mouth is filled with flavors of cherry, red currants, and berry jam. Round tannins fill the palate and provide a pleasant finish of dried red fruit and spice.

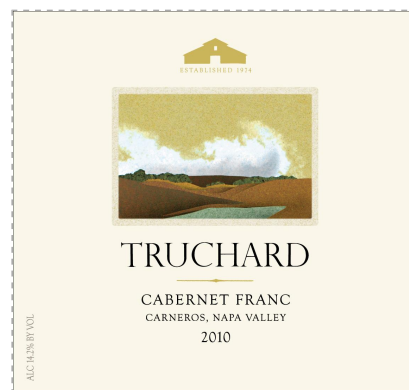

Cabernet Sauvignon, Cabernet Franc, Petit Verdot, and Malbec grape blend.

This wine contains allergens, sulfites.
