

ABSENTROUX

ABSENTROUX FRANCE HERBAL FLAVORED WINE

FRANCE • FRANCE • EUROPE

TECHNICAL DETAILS

Absentroux carries the genuine Bitterness of traditional vermouth but with greater richness and persistence. Absentroux is a Vermouth aromatized wine made with absinthe (wormwood), bitter plants and spices, macerated into white wine for about 6 months.

TASING NOTES

Absentroux is a classic vermouth, blending Wormwood, Cinnamon, lemon balm, mint, mugwort, green aniseed, cinnamon, coriander and pink peppercorns on a white wine background (dried plants and spices are macerated in alcohol, then assembled to the wine).
