KISTLER SONOMA MOUNTAIN CHARDONNAY

SONOMA MOUNTAIN • CALIFORNIA • UNITED STATES • NORTH
AMERICA

TASTING NOTES

The 2021 Sonoma Mountain Chardonnay offers pure, elevated aromatics, deep underpinnings and a distinct sense of weight without being heavy. It is marked by lofted aromas of ripe yellow and green stone fruits, nuanced tones suggestive of morning white flowers that are a clear personality of the site and a broad and compact yet well-structured presence on the palate.

Chardonnay grape blend.

This wine contains allergens, sulfites.
