

WALTER HANSEL WINERY

# HANSEL 'SOUTHERN SLOPE' RUSSIAN RIVER PINOT NOIR

RUSSIAN RIVER • CALIFORNIA • UNITED STATES • NORTH AMERICA

## TECHNICAL DETAILS

### The Estate

Throughout the 1980's the entire family would harvest the half acre of grapes and my father and I would make the wine; filling two barrels, which equaled 50 cases of wine.

### Wine Making

It is 100% French clone 777, and tends to show it's earthy side far more than our other clones. Although this wine definitely has a French origin, each year it becomes more and more new world.

### Food Suggestions

Pairs well with veal, pork, poultry, and mushroom based dishes.

## TASTING NOTES

Medium ruby-purple, the Pinot Noir South Slope has gorgeous aromas of blood orange, cracked pepper, cranberries and red and black cherries loaded with earthy, amaro-like nuances. The medium-bodied palate is silky, fresh and uplifted, its concentrated fruits refreshed by loads of spicy accents, and it finishes long and detailed.

**Pinot Noir grape blend.**

**This wine contains allergens, sulfites.**
