TECHNICAL DETAILS

The Estate
For over twenty years, we have dedicated our winemaking practices to a philosophy of collaboration with our environment. We have meticulously managed twenty estate vineyard blocks through the application of sustainable agricultural practices.

Wine Making
This philosophy is continued in our cellar, as we use winemaking techniques that truly express the cool-climate, glacier-carved Finger Lakes region. In our winery, we share a wide selection of well-balanced wines, each crafted in a spirit of exploring the wine and food experience.

Food Suggestions
Pairs well with spicy grilled seafood or sausages, a hearty vegetarian curry, or a fresh fruit salad.

TASTING NOTES

Aromas of berries and blossoms complement full flavors of strawberry and melon, all wrapped in soft, creamy texture, and finishing with notes of wet stone and tangy, mouthwatering acidity.
