DOMAINE DE GUILLAMAN CHARDONNAY

GASCONY • SOUTHWEST • FRANCE • EUROPE

TECHNICAL DETAILS

The Estate

Domaine de Guillaman is a sixth generation family-owned wine estate in Gascony, south-west France. Dominique Ferret took over the estate from his grandfather, Albert, and took the family business away from the traditional production of Armagnac to the production of high quality table wines under the Côtes de Gascogne IGP.

Wine Making

Silky Chardonnay from the Ferret family vineyards at Domaine Guillaman, this is harvested at low temperatures and cool-fermented before maturation on the lees for several months.

Food Suggestions

Pairs well with shellfish, spicy foods, poultry dishes, lean fish, goat cheese, aperitif, and cured meat.

TASTING NOTES

Elegant on the nose with elements of autumnal green fruit and hints of sweeter tropical fruit, the palate is crisp and succulent, red apple, ripe pear and citrus to the fore with just a hint of honey and floral notes.

Chardonnay grape blend.

This wine contains allergens, sulfites.
