ALBINO ROCCA ASTI MOSCATO

ASTI • PIEDMONT • ITALY • EUROPE

TECHNICAL DETAILS

The Estate

Angelo Rocca is committed to quality in his winery, and his vineyards. For generations his family has grown grapes in the hills of Barbaresco, starting at the turn of the 20th century. Today they seek balance and harmony in combining traditional techniques and modern technologies.

Wine Making

The Moscato grapes come from the vineyards of some "Sori" of San Rocco Seno d'Elvio (Alba), impervious and steep terrain, with a marked southern exposure, where processing is only manual and production is very limited. The result is a sweet and aromatic wine of great fullness and satisfaction.

Food Suggestions

Pairs well with fruity desserts and aperitif.

TASTING NOTES

The Moscato grapes are planted in one of the "Sori" (southern facing) slopes in San Rocco Seno d'Elvio (Alba). A rough steep terrain, with a marked southern exposure where the work must be done by hand and the production is very small. The result is a sweet, aromatic, slightly fizzy wine with great fullness and satisfaction.

Muscat grape blend.

This wine contains allergens, sulfites.
