HYBRID LODI CABERNET SAUVIGNON

LODI • CALIFORNIA • UNITED STATES • NORTH AMERICA

TECHNICAL DETAILS

The Estate

Hybrid is a revolutionary product that combines highly advanced technology with environmentally sustainable winegrowing principles. It is the inspiration of the need for first-rate wines at a fair and affordable price. So a wine was crafted with the taste to back it up and we present our answer. It's unpretentious and it's quality. Hybrid is about taking away unnecessary elements to produce a good wine that anyone can enjoy..

Wine Making

Hybrid is a brand from the prestigious estate Peltier. All of the 1,000 acres of the Peltier estate are farmed sustainably according to **Lodi rules**, a third party certified program created for the Lodi appellation by a committee of scientists, growers, a wildlife biologist, and farm advisors. These are stringent rules that Peltier farms by and have been farming since our great-grandparents began growing wine grapes.

Food Suggestions

Pairs well with a juicy ribeye or hearty bolognese.

TASTING NOTES

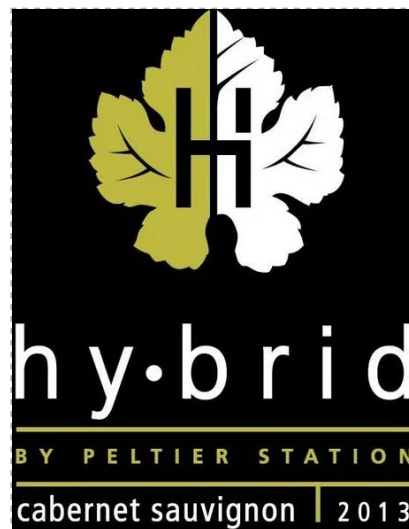

Hybrid Cabernet Sauvignon is sure to fill your glass with a rich velvet hue. Savor the smoky caramel nose and hints of tasty dark chocolate raspberry with warmth to enhance any chilly night.
