

PLUMPJACK PLUMPJACK OAKVILLE CABERNET SAUVIGNON

OAKVILLE • CALIFORNIA • UNITED STATES • NORTH AMERICA

TECHNICAL DETAILS

The Estate

In 2021, Napa Valley received only about one-third of our average rainfall, which showed in the vineyards. The vines were stressed, and yields were extremely low. While this isn't good for business, it's great for wine quality. The grapes were small, and the flavors were highly concentrated, which allowed us to craft wines of great intensity and depth. And with the deft hands of our winemaking team, we were able to maintain focus, precision, elegance, and beauty in these wines.

Wine Making

The Estate grapes were cold soaked for 4-5 days to coax out more color while maintaining a velvety tannin. The grapes were then fermented up to a maximum temperature of 94°F. The wines were drained off the skins after a total maceration of 8-10 days and racked to barrel to undergo malolactic fermentation and to age.

Food Suggestions

Pairs well with beef, lamb, deer, venison, mature and hard cheese, and poultry.

TASTING NOTES

The nose of the 2021 PlumpJack Estate Cabernet Sauvignon leads with juicy fruits – black cherry, boysenberry, blackberry jam, and muddled mixed berries. The fruit is layered with fresh mint, sage, and iron filings. These aromas are complemented by warming spices, vanilla, and cocoa nib. The palate has a beautiful, velvety texture with plush tannin and an enduring finish with impressions of espresso and dark chocolate.

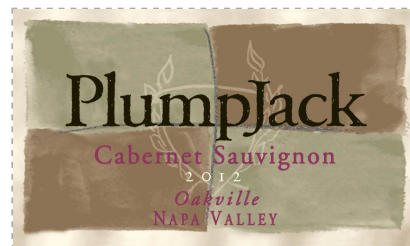

A Cabernet Sauvignon, Petit Verdot, & Malbec grape blend.

This wine contains allergens, sulfites.
