# BILA HAUT COTES DU ROUSSILLON VILLAGES ROSE

COTES DU ROUSSILLON VILLAGES • LANGUEDOC • FRANCE • EUROPE

## TECHNICAL DETAILS

### The Estate

It was in Latour de France that he chose to set up his domain. Occultum Lapidem is the first expression of this terroir. Then there followed 6 years of reflexion, observation and analysis to produce a precious, rare wine: v.i.t. The story continued near a little village called Lesquerde. Steep, craggy limestone, arid soil, battered by the tramontane wind... A wine wriggled free from the grasp of nature: L'esquerda. Eventually, Single Vineyard Selections r.i. and Chrysopée were able to reveal new nuances of this oh-so-precious terroir.

### Wine Making

He searched and found a fantastic source of Cinsault in the Gard district, and used that variety blended with Grenache. The grapes are carefully vinified at low, even temperatures. The juice is fermented in temperature-controlled, stainless-steel tanks and aged in those tanks. After a short maceration on the skins, the delicate pink hue is attained, and the wine is racked and vinified. The wine is then carefully blended prior to bottling.

### Food Suggestions

Pairs well with pasta, vegetarian dishes, appetizers and snacks, lean fish, and aperitif.

## TASTING NOTES

Each of the varietals in the blend offers up their unique flavors to combine a refreshing and crisp wine with "high resolution" of flavors. The Cinsault gives the red fruits, and gentle floral aromas. The Grenache supplies the crisp mineral flavors with a hint of citrus in the lingering finish.

**Cinsault, Grenache, & Syrah grape blend.**

**This wine contains allergens, sulfites.**
