BROKEN EARTH 'ESTATE' PASO ROBLES MALBEC

PASO ROBLES • CALIFORNIA • UNITED STATES • NORTH AMERICA

TECHNICAL DETAILS

The Estate

Deeply rooted in the pioneering spirit of Paso Robles Wine Country, Broken Earth wines are born from heritage, hard work and careful stewardship of our vineyard. Land that once sustained generations of cattle ranchers and then visionary grape growers is now home to over 700 acres of vines on Paso Robles' east side. Our wines stand as a bold expression of this place, each with their own story to tell.

Wine Making

The Malbec finished alcoholic fermentation on October 4th, 2018 and was pressed off the skins. Malolactic fermentation ended October 31st, 2018 and the win was 13.2% alcohol. The wine was transferred to barrel on April 5th, 2018 and has been in barrel for 12 months. Barrels were individually selected for bottling (50% new French Oak and 50% older hybrid barrels)

Food Suggestions

Pairs well with beef, lamb, and poultry dishes.
