CASORZO • PIEDMONT • ITALY • EUROPE

TECHNICAL DETAILS

The Estate

Cantina Sociale di Casorzo was established by a group of local winemakers in 1951. Witnessing a widespread exodus with so many young people abandoning the countryside for the city, the founders chose instead to join their forces, and combine their resources and experience in an enterprise aiming at the preservation of local winemaking heritage and traditions.

Wine Making

Vinification and wine storage follow tradition and know-how handed down by past generations of local wine producers. Application of modern production standards allows for greater health safety related transparency.

Food Suggestions

Pairs well with deer, venison, and poultry dishes.

TASTING NOTES

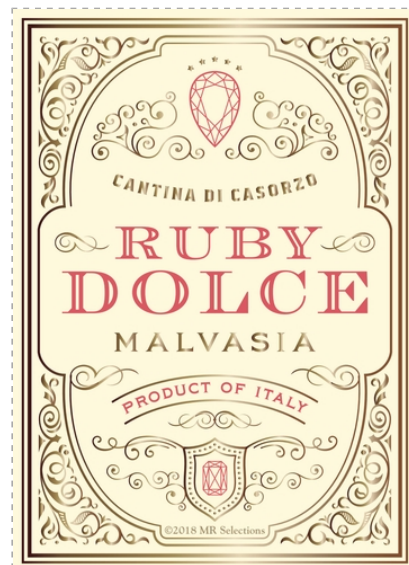

This wine displays ripe cherry, raspberry, and strawberry fruits are mingled with hints of spice, cassis, and candied currants. It finishes with a refreshing spritz! It is great by itself but also makes a fantastic base wine for Red Sangria. Just add fresh fruit and triple sec or Orange Liqueur to taste.
