NAPA VALLEY • CALIFORNIA • UNITED STATES • NORTH AMERICA

TECHNICAL DETAILS

The Estate

St. Supéry Estate Vineyards and Winery is a 100% Estate Grown, sustainably farmed winery located in the renowned Rutherford growing region in the heart of Napa Valley. Committed to producing the highest quality estate wines without compromise, we focus on sustainable winery and farming operations to protect the land and environment for future generations. Our Napa Valley Estate collection includes Sauvignon Blanc, Cabernet Sauvignon, Rosé and Moscato. These wines are balanced and showcase bright, fruit-forward flavors.

Wine Making

The 2018 growing season started with a relatively mild winter and spring. Winter and early spring provided enough water to fill the lakes at Dollarhide Ranch. With a warm July, markedly cooler temperatures in August, absent of heat spikes, the weather remained ideal through September and October. Early October saw a small amount of rain, but warm weather and dry breezes followed, allowing the grapes to hang on the vines longer, further developing their flavors.

Food Suggestions

Pairs well with beef, lamb, deer, venison, mature and hard cheese, and poultry dishes.

TASTING NOTES

This cabernet sauvignon presents with deep, dark reds and purples. Aromas are opulent with ripe blackberry, black plum, cassis, chocolate, and toasted oak. A rich, dense profile follows with flavors of cassis and ripe black fruits, espresso, mocha, and molasses with subtle oak influence. This is a deep, structured wine with excellent fine-grain tannin.

100% Cabernet Sauvignon grape blend.

This wine contains allergens, sulfites.
