TECHNICAL DETAILS

Estate

Trapiche represents the richness of diversity in Argentina. Our motto is “where there is soil, the sky is the limit” and this leads us to explore our extensive lands in search of new experiences. Since 1883 we have been located in Maipú, in the province of Mendoza, and we are the leading Argentine winery in terms of production and exports, reaching over 80 countries.

Winemaking

Since our beginnings, we have understood better than anyone the promise of viticulture in Argentina. We specialize in bringing out the best of each terroir, and creating unique wines from each. This diversity is possible thanks to our 1200 hectares (3000 acres) of owned vineyards and 300 independent producers who contribute their best grapes for our wines.

Food Suggestions

Pairs well with beef, lamb, veal, and poultry dishes.
