FRANCK BALTHAZAR COTES DU RHONE ROUGE

COTES DU RHONE • RHONE • FRANCE • EUROPE

TECHNICAL DETAILS

The Estate

Franck is the nephew of Noel Verset, and bought his 97-year-old parcel in Chaillot from him when Noel retired. He blends this old plot with his 46-year-old parcel, both of which are on the granitic and sunny slopes of Les Chaillots.

Wine Making

The grapes for this wine are sourced from three hectares next to Vinsobres dans la Drome, which will now be Franck's and is farmed organically. The winemaking occurs in stainless steel, fermentation with wild yeasts, no filtration and little SO₂.

Food Suggestions

Pairs well with beef, lamb, and poultry based dishes.

TASTING NOTES

A classic expression, it is full bodied and plush with smooth, restrained tannins, hints of savory leather, and floral violets.

Syrah & Grenache grape blend.

This wine contains allergens, sulfites.
