STAGLIN RUTHERFORD CABERNET SAUVIGNON

RUTHERFORD • CALIFORNIA • UNITED STATES • NORTH AMERICA

TECHNICAL DETAILS

The Estate

When Shari and Garen Staglin's son, Brandon, was diagnosed with schizophrenia in 1990, they realized that advancements in scientific research were vital to understanding mental illness.

Wine Making

The 2018 growing season was even and mild – a delightful respite and contrast to the extremes of 2017. A generally dry winter gave way to a wet early spring that fully charged the soil profile with generous and well-timed rains.

Food Suggestions

Pairs well with beef, lamb, deer, venison, mature and hard cheese, and poultry dishes.

TASTING NOTES

The silky and detailed 2018 Staglin Cabernet is a poised and elegant classic that impresses with its old-world charms and modern-day precision. Initial notes of herb laden cassis and cedary plums evolve into layers of lavender infused raspberry liqueur and menthol lifted cherry compote spiced by green peppercorns, ground coffee and a dusting Piment d'Espelette. The beautiful weight, delicate concentration and powder fine-grained structure delivers a wonderfully graceful and balanced palate experience that is a sheer classy delight.

Cabernet Sauvignon grape blend.

This wine contains allergens, sulfites.
