GRAYSON CALIFORNIA ZINFANDEL

CALIFORNIA • UNITED STATES • NORTH AMERICA

TECHNICAL DETAILS

Estate

The founders of Grayson believe that we can put to work our Napa Valley winemaking skills to create some of the highest quality wines at the by-the-glass price point. We believe that decades of Napa winemaking experience will allow us to create a better bottle of wine at a better price point than what's generally in the market today.

Winemaking

Soils and climates vary substantially throughout California. A complex combination of variables are in play. These include altitude, latitude and proximity to the cool waters of the Pacific Ocean.

Food Suggestions

Pairs well with beef, lamb, and poultry.

Intense richness carries through on the palate of this full-bodied wine with explosive blackberry and vanilla flavors. The wine's finish is long and elegant.
