

GRAYSON CELLARS  
**GRAYSON CALIFORNIA  
ZINFANDEL**

CALIFORNIA • UNITED STATES • NORTH AMERICA

**TECHNICAL DETAILS**

**Estate**

The founders of Grayson believe that we can put to work our Napa Valley winemaking skills to create some of the highest quality wines at the by-the-glass price point. We believe that decades of Napa winemaking experience will allow us to create a better bottle of wine at a better price point than what's generally in the market today.

**Winemaking**

Soils and climates vary substantially throughout California. A complex combination of variables are in play. These include altitude, latitude and proximity to the cool waters of the Pacific Ocean.

**Food Suggestions**

Pairs well with beef, lamb, and poultry.

**TASTING NOTES**

The Grayson Zinfandel shows a dark color with rich mixed raspberries, strawberries, and brambles surrounded by hints of spice including black pepper and bacon. Intense richness carries through on the palate of this full-bodied wine with explosive blackberry and vanilla flavors. The wine's finish is long and elegant.

**Zinfandel grape blend.**

**This wine contains allergens, sulfites.**
