DOMAINE DE LA CHARBONNIERE VACQUEYRAS ROUGE

VACQUEYRAS • RHONE • FRANCE • EUROPE

TECHNICAL DETAILS

The Estate

Domaine de la Charbonniere has always been deeply familial, with the fourth generation of the Maret family now in charge; the eldest daughter, Veronique Maret, took over winemaking responsibilities in 2007 and she and her sister Caroline have run operations since 2014 (though the entire family, including their mother, Mireille, and father, Michel, can still be found working hard in every aspect of the winemaking process).

Wine Making

Veronique's most notable influences at Domaine de la Charbonniere have been to update and modernize the winery itself while also more adamantly employing organic winemaking practices. She brings new perspective and energy to a traditional estate that will surely find itself in the spotlight in vintages to come

Food Suggestions

Pairs well with beef, lamb, and game such as deer and venison.

TASTING NOTES

Structured and intense, this Southern Rhone gem leads with intensity and finds balance on the palate with a mid-palate extraction, concentration and mature tanninic structure. Opulent notes of dark cherries, raspberries, and dried herbs. The mouth is utterly elegant with beautiful length driven by black berries and licorice.

A Grenache & Syrah grape blend.

This wine contains allergens, sulfites.
