TECHNICAL DETAILS

The Estate

St. Supéry Estate Vineyards and Winery is a 100% Estate Grown, sustainably farmed winery located in the renowned Rutherford growing region in the heart of Napa Valley. Committed to producing the highest quality estate wines without compromise, we focus on sustainable winery and farming operations to protect the land and environment for future generations. Our Napa Valley Estate collection includes Sauvignon Blanc, Cabernet Sauvignon, Rosé and Moscato. These wines are balanced and showcase bright, fruit-forward flavors.

Wine Making

The result was an early harvest of exceptional quality and a very light yield, typical to these growing conditions. 2021 did not disappoint, creating wines with opulent aromatics, terrific volume and flavors with tremendous persistence. After achieving the desired flavors on the vine, the sauvignon blanc was harvested in the cool morning hours in an effort to preserve the delicate flavors.

Food Suggestions

Pairs well with shellfish, vegetarian dishes, and goat cheese.

TASTING NOTES

This white wine presents brilliant hues of pale yellow and green. Fresh aromas of lemon, lemon custard, basil, and anise are complemented by a vanillin thread, from the element of subtle new French oak. Lemon and lime citrus flavors follow, with the essence of pear. The toasted oak qualities from the barrel maturation have encouraged a full rich mouthfeel, along with the subtle creaminess of the sur-lie maturation. This sauvignon blanc is crisp with rich flavor.

100% Sauvignon Blanc grape blend.
This wine contains allergens, sulfites.
