ROMBAUER CALIFORNIA ZINFANDEL

CALIFORNIA • UNITED STATES • NORTH AMERICA

TECHNICAL DETAILS

The Estate

Inspired by the wine movement of the 1970s in Napa Valley, Koerner and Joan Rombauer entered the wine business in 1976, then launched Rombauer Vineyards in 1980. As stewards of the land, the Rombauers have strived to produce the best wine an appellation, terroir and climate will achieve. As the second generation takes over, they are dedicated to continuing their parents' vision.

Wine Making

The grapes were carefully destemmed and optically sorted, a process which takes photos of every single grape and removes any not-perfect berry to ensure only specific and ideal fruit made it into the wine. A cold soak extracted color and flavor before primary fermentation began in tank. The wine was gently basket pressed and then racked to oak barrels to finish primary fermentation, malolactic fermentation, and aging for 15 months.

Food Suggestions

Pairs well with beef, lamb, and poultry dishes.
