

CASAL DO RAMILO

CASAL DO RAMILO LISBOA TINTO

LISBOA • PORTUGAL • EUROPE

TECHNICAL DETAILS

The Estate

Since 1937, the Ramilo family has been producing wine in one of the most privileged locations in the Lisboa wine-making region surrounding Portugal's capital. This long, thin strip of vineyards runs along the breezy and maritime Atlantic coast, creating a series of unique micro-climates.

Wine Making

The grapes were grown in the winery's 50 acres of south-facing, sustainably-farmed vineyards (no chemical applications), hand-picked into small baskets, destemmed and then quickly moved to the nearby winery to maximize freshness. With the large diurnal temperature variations in this hilly, coastal region, the grapes feature high-toned fruit and ample acidity.

Food Suggestions

Pairs well with grilled meats or intensely flavored cheeses.

TASTING NOTES

Violaceous appearance with the floral aromas of Touriga Nacional very present. In the mouth, the red fruit combines perfectly with the elegance of the French oak. Long and smooth finish.

100% Touriga Nacional grape blend.

This wine contains allergens, sulfites.
