BROKEN EARTH 'CV RESERVE' PASO ROBLES CABERNET SAUVIGNON

PASO ROBLES • CALIFORNIA • UNITED STATES • NORTH AMERICA

TECHNICAL DETAILS

The Estate

Deeply rooted in the pioneering spirit of Paso Robles Wine Country, Broken Earth wines are born from heritage, hard work and careful stewardship of our vineyard. Land that once sustained generations of cattle ranchers and then visionary grape growers is now home to over 700 acres of vines on Paso Robles' east side. Our wines stand as a bold expression of this place, each with their own story to tell.

Wine Making

The term CV refers to the original vineyard holdings on our estate, Continental Vineyards, and this very limited wine is only produced in exceptional vintage years. In 2018, we achieved perfect fruit ripeness, resulting in a wine of outstanding depth.

Food Suggestions

Pairs well with beef, lamb, deer, venison, and poultry dishes.

TASTING NOTES

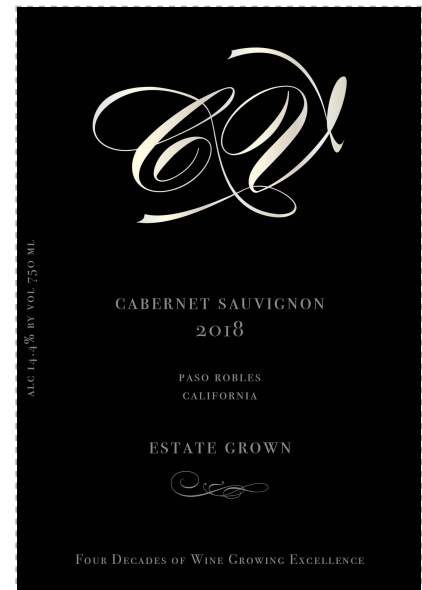

Beginning with the nose: blackcurrants, pine needles, along with underlying oak spices paint the picture of international appeal. This cohesion of integrated flavors easily translates to a mouth feel full of blueberry sensations and silky tannins. The linear finish leaves a rejuvenated palate that is not overwhelmed by over structured tannin, showing that a bigger wine is not always better.

Cabernet Sauvignon grape blend.

This wine contains allergens, sulfites.
