TECHNICAL DETAILS

The Estate

Certified Organic in 1996, but practicing organic since 1984, it is one of the early Corbiere vineyards to capitalize on their terroir. Situated near the idyllic town of Lagrasse, the vineyard is 130 hectares (320 acres) of beautiful land, bounded by hills on three sides, and divided into parcels, each planted with a specific grape.

Wine Making

This wine from the the Corbieres AOC within the Languedoc, is a fantastic value. Made from a blend of old vine Carignan, Syrah, Grenache, and Mourvèdre, it offers plenty of dark berry fruit and explosive flavors.

Food Suggestions

Pairs well with beef, pasta, and veal dishes.

TASTING NOTES

Deep dark red. Intense aromas of fruits and flowers, especially violet and blackberry. Unctuous in the mouth, with notes of spices and liquorice, this is a powerful and concentrated wine.

Grenache, Carignan, Syrah, & Mourvèdre grape blend.
