# RIVETTO 'ZIO NANDO' ALBA BARBERA

ALBA • PIEDMONT • ITALY • EUROPE

## TECHNICAL DETAILS

### The Estate

From young winemaker Enrico Rivetto, an excellent 'drink now' style of organic, biodynamic Barbera from the Langa del Barolo region in Piemonte, northern Italy.

### Wine Making

### Food Suggestions

Pairs well with pasta, veal, pork, deer, venison, and poultry based dishes.

## TASTING NOTES

In many ways this is textbook Barbera: rich, powerful dark fruit, macerated strawberry, a hint of cocoa and smoky leather, with present but well-integrated tannic structure. There's plenty of intensity along with lively acidity which freshens the experience considerably. The wine is excellent now but would reveal more complexity with age.

**Barbera grape blend.**

**This wine contains allergens, sulfites.**
