TECHNICAL DETAILS

The Estate
Viña Real is a long-established Rioja producer closely tied to the historic CVNE group, known for balancing tradition with modern precision. Based primarily in Rioja Alavesa and Rioja Alta, the winery focuses on vineyard-driven wines that emphasize freshness and regional identity. The Rosado showcases a bright, contemporary expression of Rioja's cooler subzone.

Wine Making
Grapes are harvested from cooler, higher-elevation vineyards in Rioja Alavesa to preserve natural acidity and aromatics. Gentle pressing and short skin contact provide the wine's delicate color and fresh fruit profile. Fermentation takes place in stainless steel at controlled temperatures to retain purity. The wine is bottled young to emphasize freshness and vibrancy.

Food Suggestions
This Rosado pairs well with tapas, charcuterie, and grilled vegetables. Its freshness also complements seafood, salads, and Mediterranean cuisine. An ideal by-the-glass rosé for warm weather service and casual dining.

TASTING NOTES

The Rosado opens with fresh aromas of wild strawberry, raspberry, and red cherry, accented by subtle floral notes. On the palate, it is crisp and refreshing, offering juicy red berry flavors balanced by lively acidity. The texture is light and clean with excellent precision. A faint mineral note adds structure and depth. The finish is dry, vibrant, and refreshing.

Tempranillo & Graciano grape blend.
