JOLIESSE CALIFORNIA CABERNET SAUVIGNON

CALIFORNIA • UNITED STATES • NORTH AMERICA

TECHNICAL DETAILS

The Estate

Joliesse comes from the French word for grace and loveliness, which is what we seek to create with each vintage. Sunshine guides us in all that we do; it is at the center of everything. The natural beauty of the world and cosmic energy all radiate from the sun. As the sun and the stars light our skies, so too does our label – with rays of the sun and stars that glow in the dark.

Wine Making

As a late-flowering and late-ripening variety, Cabernet Sauvignon grapes mature slowly. This can also work for or against wine quality; in a cold season or climate there is a risk of the grapes failing to ripen fully, while in most other conditions the steady rate of progress offers producers a wider choice of harvest dates.

Food Suggestions

Pairs well with beef, lamb, deer, venison, and poultry dishes.

TASTING NOTES

The 2020 Joliesse California Cabernet Sauvignon is a medium bodied wine sourced primarily from Lodi, California. The complex aromatics of blackberry, cassis, and pepper are found on the nose. The textured palate and layered flavors of blackberry and rhubarb pervade while spice notes evolve into cinnamon, nutmeg, and clove. Balanced acidity and well-integrated tannins lead to long and lingering finish.

Cabernet Sauvignon grape blend.

This wine contains allergens, sulfites.
