

CASAL DO RAMILO

CASAL DO RAMILO LISBOA ARINTO

LISBOA • PORTUGAL • EUROPE

TECHNICAL DETAILS

The Estate

Since 1937, the Ramilo family has been producing wine in one of the most privileged locations in the Lisboa wine-making region surrounding Portugal's capital. This long, thin strip of vineyards runs along the breezy and maritime Atlantic coast, creating a series of unique micro-climates.

Wine Making

The grapes were grown in the winery's 50 acres of south-facing, sustainably-farmed vineyards (no chemical applications), hand-picked into small baskets, destemmed and then quickly moved to the nearby winery to maximize freshness.

Food Suggestions

Pairs well with grilled fish dishes and all kinds of seafood dishes.

TASTING NOTES

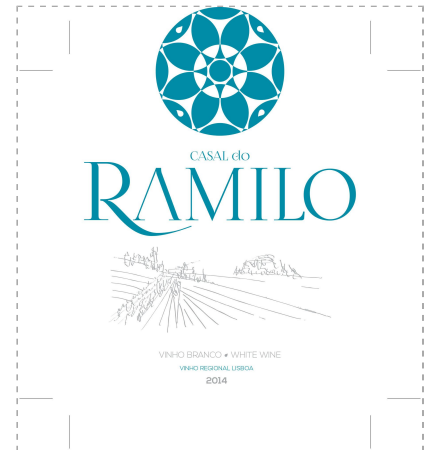

Discreet and fresh aromas, as the nature of the variety dictates. In the mouth, it surprises with its freshness and minerality, perfectly combined with a lively acidity. Time will make it shine.

100% Arinto grape blend.

This wine contains allergens, sulfites.
