TECHNICAL DETAILS

The Estate

During the early years, Bodegas Lustau operated as an 'Almacenista'. The Lustau family began bottling their own sherries and exporting by 1950. In the 1980s they expanded their range and introduced the Almacenista range concept of buying and maturing casks from small bodegas to share excellent quality names and styles with enthusiasts around the world. In 1990 the winery was bought by the family-owned Louis Caballero group. Bodegas Lustau is considered a world-class benchmark for top-quality wines. Lustau produces all styles of sherry, from Manzanilla through to Pedro Ximénez, as well as special bottlings, single cask, VOS and VORS sherries.

Wine Making

A perfect blend of three wines: a dry, mineral and crisp Fino sherry, a sweet and floral Moscatel wine and lively and fruity Tintilla de Rota wine.

Food Suggestions

Pairs well with a slice of pink grapefruit. Enjoy it as a spritz or in the after-work.

TASTING NOTES

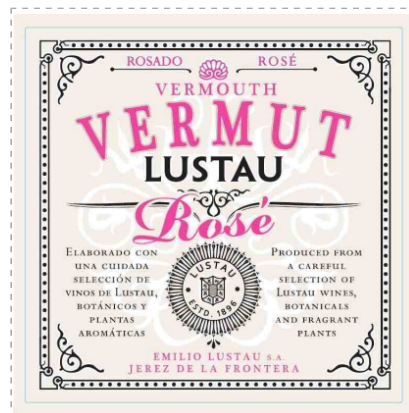

Attractive and delicate pink orange colour with coppery reflections. Floral and herbaceous notes mingle with fruity and spiced scents on the nose. Seductive wild strawberry, orange blossom and patisserie aromas with a subtle nutty background. On the palate, the spiced and herbaceous notes are followed by a comforting sweetness that leaves a delicious silky sensation.

Fino, Moscatel & Tintilla de Rota grape blend.
