COTEAUX BOURGUIGNONS • BURGUNDY • FRANCE • EUROPE

TECHNICAL DETAILS

The Estate

Mr. Chauvet was a well-respected winemaker in the 1970's, who shared his expertise and knowledge with other winemakers in the Beaujolais and Mâconnais regions in the southernmost part of Burgundy. After he passed away, his passion and craft are being carried on by the next generation of dedicated winemakers.

Wine Making

Maceration of whole bunches for 8 to 10 days, then pressing and completion of fermentation in vats for one month. Unfined and filtered before bottling.

Food Suggestions

Pairs well with strong cheeses such as Epoisses.

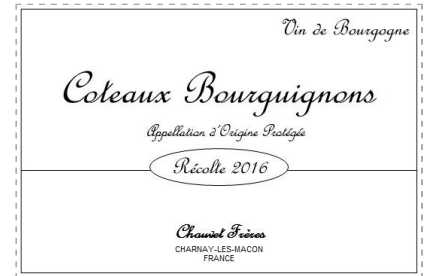

TASING NOTES

Light-bodied wine with a beautiful ruby color. It releases notes of red and black berries and a cherry stony touch, reminding the aroma of its cousin, the Pinot Noir. It is round and crisp on the palate, a bright and easy-to-drink wine.

Gamay Noir grape blend.

This wine contains allergens, sulfites.
